PPOA

Professional Peace Officers Association

188 E. Arrow Highway

San Dimas, CA 91773

To Whom It May Concern:

I wish to challenge your determination of "Fair Share" fees through arbitration. I do not agree with the chargeable and non-chargeable expenses and object to PPOA taking any money from my paycheck.

Please advise me when I can review your financial records to ensure that the dues money collected is being spent in the indicated areas that PPOA specifies, prior to PPOA involuntarily deducting from my paycheck.

Sincerely,
